Thank you for choosing Third Base. We look forward to serving your family's afterschool childcare needs.

Things you need to know about Third Base enrollment.

- You must submit a completed enrollment form and be approved before your child(ren) may attend. If we do not have space available, your child/children will be placed on a waiting list. Maximum enrollment is based on the number of staff and the amount of space available at the site, among other factors. WV DHHR requires a minimum of 16:1 ratio of children to adults, but we reserve the right to enroll at a lower ratio if need be for safety or other reasons. We only serve children in Kindergarten through 5th grade.
- The enrollment form must be submitted to the KCSCPE office by mail, email, or in person. We do not have a working fax at this time.
- **Enrollment forms must be submitted each school year**, and are only valid through the end of that school year. Open enrollment begins in April for the following school year. Currently enrolled families have an opportunity to re-enroll by submitting the new enrollment form just prior to open enrollment. Enrollment is taken on a first come, first served basis. Families who wait until August to enroll are more likely to be placed on waiting lists. Enrollment notifications for the beginning of the school year will be made during the summer. It can take up to 5 days to process your request during peak enrollment times.
- Please read all the information carefully and fill out the enrollment forms completely to avoid delay in processing your request. WV DHHR requires that you provide a physical address and telephone number for the parents/guardians and for each person who is listed as an emergency contact or authorized pick up person. They also require that you provide the name of your child's health insurance provider and the policy number. The parent/guardian submitting the enrollment must provide an email address to receive notification of enrollment status.
- You must use the service on a regular basis to keep your space in the program. You cannot enroll to save a space in case you need it. If we find you are not using the service, your child(ren) will be withdrawn. Your enrollment information will remain on file until the end of the school year. If you wish to return to the program, please contact the office to see if space is available. If not, you will be placed on the waiting list.
- We are not required to follow KCS IEPs or 504s; however, we do make as many modifications or accommodations as possible to make sure all children succeed in our program. **We are not able to provide one-on-one care.** We are staffed at 1 adult for every 16 children.
- We charge a \$10/family registration fee annually. The fee is due on the first day of attendance and applies to all account types. CONNECT/LINK does not pay for this fee.
- The Family Handbook provides more information about our policies and procedures. You can download the handbook from our website (kcscep.kana.k12.wv.us). A hard copy can be requested from our office or your site director.

Things you need to know about Payment Procedures

- Payment is always due on the first day of attendance each week for both Private Pay and CONNECT/LINK accounts. You will pay the site director at time of pick up. If the fee or copay is not paid on the first day, a \$5 late fee is added each day, even if your child is absent on subsequent days that week, until the account is paid in full. The maximum late payment fees for a week are \$20. CONNECT/LINK does not cover late payment fees, and nonpayment of copays will be reported to the agency.
- If your account has a balance due at the end of the week, your child will not be permitted to return to the program until the balance is paid in full. We will notify the school office that your child cannot attend until further notice. If your account is unpaid after 30 days, we will withdraw you from the program.
- We accept check, cash, money order, as well as debit/credit cards. We also offer automatic payments through Procure Tuition Express, with options to have it auto draft from your checking account or auto bill your debit/credit card weekly. If you pay by cash, we do not make change, so any overpayment will be applied as a credit on your account. If you already have Tuition Express set up with us, it will remain active, unless you contact us to discontinue. Please remember to update your TE payment information whenever you have a change to your checking account or bank card.
- If you have CONNECT/LINK, we must have a copy of your certificate or a notice of coverage before your child starts, unless you opt to start as Private Pay until your coverage is confirmed. The certificate must list the specific KCSCPE site as the provider and cover the first day of attendance. If we receive a notice from CONNECT or LINK saying you have become ineligible, your child will not be able to attend past the date of eligibility unless you pay the private pay rate or we receive a notice saying your coverage has been reinstated. You must sign time sheets confirming your child's attendance so that we may bill CONNECT or LINK. If CONNECT or LINK deny payment or you become ineligible, you will be charged the private pay rate for any week not covered.
- For Private Pay, the fee is weekly. There are no daily rates. You pay for the full week, regardless of how many days your child(ren) attends that week. If your child is out for a full week, there is no charge. The only time weekly rates are prorated is when our program is closed for more than 1 day during a week. See the Family Handbook for more information.
