

November

newsletter

From the desk of Dr. Harper

Don't blink! Even though we are now in November, the end of the semester is around the corner. The holidays are approaching, and the excitement builds for extra time with our families. Before you know it, it will be December 17th and the semester will end. All courses will close at midnight. Even though more time may be desired, that will not be a possibility. The best thing you can do for yourself, and us, is to finish your coursework early. Set a goal date to finish, write it down, and put it somewhere you can see every day. Send a picture of it to your coach and she can help and celebrate your accomplishments with you. You got this, but don't blink.

Parent Survey

We need your help! Please be sure to complete our survey to help us improve our program. The survey will be emailed to you November 1st. It will remain open until November 12th.

KCS Virtual Coaches and Teachers will not be working November 22–26. You are welcome to continue working in your virtual courses, but you will not receive feedback or grades during this time. There will also be no TEAMS meetings. For any immediate issues during this week, feel free to call our administrative staff at 304-348-7738.

VIRTUAL SCIENCE

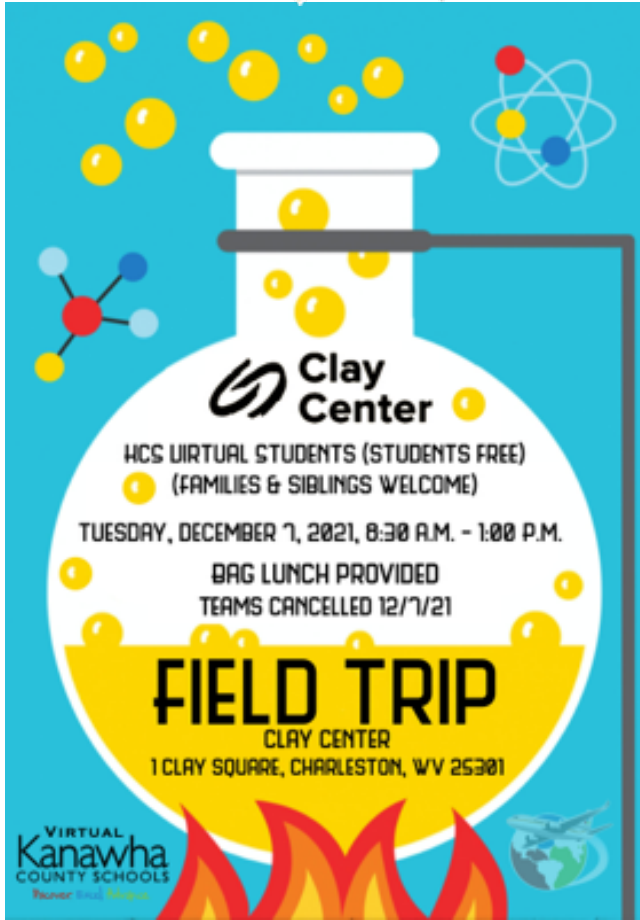

sponsored by: Clay Center

Thursday, November 18, 2021
Time 11:00 a.m.

Link can be found on your
 Teams Calendar

LIVE INTERACTIVE science lesson!
Activities will be based on skills that will be put into practiced during our December 7, 2021 CLAY CENTER FIELD TRIP.

Virtual Coach Spotlight: Leah Keeney

Mrs. Keeney grew up in Charleston until moving to Florida at the beginning of her 10th grade year. She earned an Associate of Arts degree from Tallahassee Community College, a Bachelor's degree in Education from WVSU, and a Master's degree in Learning and Technology from Western Governors University. She has taught several different grade levels and Library/Technology at the elementary level. This is Mrs. Keeney's 2nd year with the virtual program and now coaches/teaches 4th-5th grade students

She is married and has three children (19, 15, & 7) and one dog, Molly. Mrs. Keeney enjoys spending time with her family, especially when everyone is outdoors or cooking together. Some of their favorite things to cook are banana bread, tacos, and cookies.

Richard Parsons is a Science teacher at Herbert Hoover High School, where he is also the Athletic Director. Virtually, he teaches Earth Space Science. Mr. Parsons enjoys teaching virtually because it has allowed him to bring science to life for the students in our program. "I love the opportunity to teach students from across KCS and see their enjoyment in the class."

Outside of school, Mr. Parsons is married to Kim Parsons, counselor at HHHS. This year marked their 10 year anniversary! They have two boys, Jaxson and Maddox, who attend Pinch Elementary. In his spare time, he enjoys working in his garden, watching his boys' soccer games and wrestling matches, traveling around WV, and just hanging out with his family.

Virtual Teacher Spotlight: Richard Parsons

FALL OPEN HOUSE FUN

Thank you to everyone who helped make our Fall Open House a great success!

 The Candy Corn winner is:

**TarunSai
Bhunanapalli**

 5th Grade Virtual Student
@ Overbrook Elementary

 The actual weight of the
jar was 1.8 lbs.

 Great job TarunSai!

COSTUME CONTEST WINNERS!

**Amanda
John Adams**

**Ciarah
Horace Mann**

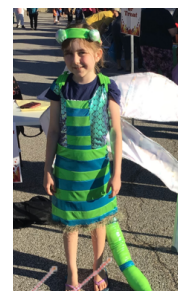

**Kaiden
Sissonville**

**Josiah
Sharon Dawes**

**Jane
Andrews Heights**

**Nova
Dunbar Primary**
